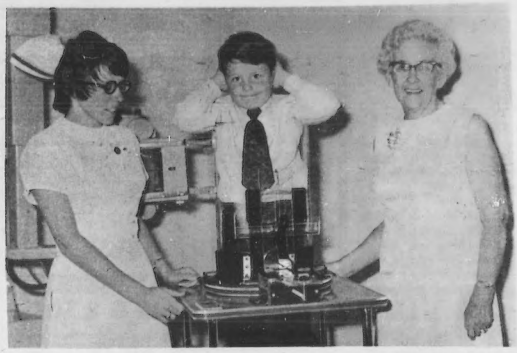
VOL. 13 NO. 21 WEDNESDAY, MAY 24, 1972.



On Tuesday, Mrs. Marguerite Akins presented the Sturgeon General Hospital with an immobilizer and positioner, purchased through the Lorne Akins Memorial Fund. The unit, urgently required by the hospital, assists technicians while youngsters between the ages of one month to four years undergo x-ray tests, by keeping them immobile in the position required for the examination by x-ray. Modelling the new piece of equipment is Christopher Akins, grandson of Lorne, and Phyllis Chaloner, acting chief technician is seen at right.

Akins fund provides gift to hospital

In response to requests from people of St. Albert and the district for a memorial tribute to Lorne Akins, following his death in February of this year, the family established the Lorne Akins Memorial Fund. It was decided that the fund would go to support the Sturgeon General Hospital, and friends were invited to contribute to the memorial in lieu of flowers.

When the fund was closed off recently, $500 had been contributed. Mrs. Marguerite Akins asked that the hospital use the money for equipment having the greatest priority in their view, and was well pleased when administrator Mr. Clifford Keyes decided upon an immobilizer for the treatment of very young children.

In a fitting gesture she invited her four-year-old grandson, Christopher, son of Mr. Fred Akins to take part in the presentation at the hospital on Tuesday afternoon.

Our whole family is thrilled with this gift to the hospital as an enduring tribute to Lorne, said Mrs. Akins, and I am deeply moved by and grateful for the kindness and thoughtfulness of all the people of this district who made it possible,

Sunday evening at the Legion

Residents of St. Albert are invited to drop in at the Legion Hall, next to the curling rink, on Sunday, May 28 between 6 - 10 p.m. Reg Bremner and the Building Committee would be happy to talk over the plans for a new Memorial Hall and Social Centre of St. Albert. A lot of work and planning has been done and Branch 271 feel confident they can build the new centre, which will be a definite asset to St. Albert. Prospectus and architects drawing may be seen, and the Ladies Auxiliary will be on hand to serve coffee.

Deputy Mayor, Rene Kambouroff, dropped in at the Gazette office with a classified ad last week, and was handed a voluminous report on the sewage facilities plan of the provincial government. At the same time he was asked to have a look at the eroding river bank at the south end of Perron Street bridge. Thus does the deputy get some extra work while Mayor Gibbon is at the Mayors and Municipalities Conference in Quebec City, to be followed by a holiday with his wife, Eileen.

Town Sewage Plan Unveiled By Dept. of Environment

As requested by Hon. William J. Yurko, minister of the environment, a submission recently was made to E. E. Ballantyne, deputy minister of the environment by R. N. Briggs, municipal engineer, division of standards and approvals, department of the environment.

A synopsis of the submission clearly indicates that by means of this proposed program, municipalities, large or small, can afford this very important facility.

The Municipal Sewage Treatment Assistance Program is being proposed whereby sewage treatment facilities be made available to all municipalities, and at a per capita rate in accordance with the municipality's ability to pay. The proposal would be generally self-liquidating and not produce a burden on the municipality. However, the proposal is not a grant program rather, it's a self-liquidating one, based on the ability of the municipality to pay.

The general municipal sewage treatment assistance program for the Province of Alberta, drafted in February 1972 uses as prime examples two Alberta communities, the large one at one end of the scale is St. Albert and the other is the Village of Gibbons.

Per capita sewage treatment facilities range from a few dollars to a current high of $380 (and it is anticipated that this will increase to $500 per capita in the near future). An average per capita, CAPITAL COST FOR NEW OR MAJOR IMPROVEMENTS IS IN THE ORDER OF $150 (based on current cost).

Sewage treatment facilities are normally paid for by debentures and regardless, the municipality is responsible for the retirement of the debenture despite possible problems such as population decrease etc.

When a municipality decides to proceed with a sewage treatment project they must pass a by-law to gain authority to proceed, and thus incurr a debt on behalf of the municipality by the issuance of debentures.

All such by-laws are processed by the LAB and financed through the Alberta Municipal Finance Corp. The AMFC purchases the debentures, however, the municipality is directly responsible for its borrowing as based on the taxable assessment as security for the debenture.

Since 1965 the Federal Government have made funds available for financing trunk sewers and treatment facilities according to Part VI 'B' of the NHA.

Under the program, through CMHC a municipality may borrow up to 2/3 of the total cost of the approved sewage treatment facilities with 25 PER CENT OF THIS TO BE RETURNED AS A GRANT.

The cost of any sewage treatment facility must be paid off within the debenture period, which is normally equal to the life of the facility. Since the incorporation

Continued on page 2.

In addition to seeing the exciting aerobatics, the members of 533 Squadron St. Albert Air Cadets were given an opportunity to climb into the cockpit of the Sea Fury and view controls of this once famous aircraft.

The Sea Fury wasn't a monster

On Sunday, May 14 the St. Albert 533 Air Cadet Squadron visited the International Airport to view aerobatics.

Cadets and Cadettes viewed the second world war Sea Fury aircraft which is virtually the last of the fast piston driven airplanes.

The Sea Fury is owned and flown by Flight Lieutenant O. A. Haydon Baillie who is an ex-cadet. Born in Devonshire England he arrived in Canada in 1962 and joined the RCAF. He graduated from Primary Flying Training School RCAF Centralia in 1964.

Guide Leaders Appeal To Fathers

Mio We Ko Win campsite, two and one-half miles west of St. Albert, is badly in need of a clean-up and minor repairs. Some digging must be done, and two small buildings require moving and repair.

Grass needs cutting and raking, and deadwood must be gathered, cut and piled.

As may be seen, some male help is needed and fathers of the guides and brownies are asked to lend a hand to the leaders to make the site a healthy and safe camp for the girls. Please, fathers, come equipped with shovels, rakes, hammer and nails, scrap lumber or lawn mower and rake.

The clean-up and repair project goes on Thursday, May 25 at 6:30 p.m. and again on Saturday morning May 27.

The girls are planning camp sessions in June.

Noted speaker stresses how much can be done for learning disabled

Neil McDowell, Supervisor of Counselling and Special Education for the County of Parkland was the featured speaker at the May meeting of the Sturgeon-St. Albert Ass'n for Children with Learning Disabilities.

He spoke on his experiences in the establishment and operation of classes for learned disabled children at the junior high level. This program has been highly successful and is reflected in Mr. McDowell's enthusiasm and concern. His respect for these children as individuals with a unique problem was evident throughout his talk.

Adaptation classes were in operation for awhile at Stony Plain but suffered due to the social stigma attached to them. The present system in which students remain in a regular class but pull out for reinforcement in resource rooms in areas of difficulty has been much more effective. Programs must be individualized, Neil McDowell stressed. As these students have at least one or more perceptual handicaps, different approaches must be used to utilize their strengths. The four basic teaching techniques being employed are: by visual means; audio-visual combined; auditory, and Kinisthetic (sense of touch). Mr. McDowell indicated that some of the students on perscriptive programs had advanced as much as 2 1/2 years in some areas of difficulty since last year. He stated that most of these students required a great deal of counselling to help them overcome their poor self images and sense of defeat, which resulted from many years of failure in the school. The need to provide these learning disabled children with success cannot be over-emphasized.

Mr. McDowell endorsed the use of teacher aides in the classroom.

The County of Parkland has a very active association and have had attendances of 250 at their meetings. Mr. McDowell heartily supports these associations that are fighting for the recognition and remediation of these children. He suggested several courses of action the Sturgeon-St. Albert group could take, such as: 1) work with the national and local associations; 2) make representations to the school board; 3) send a delegate to the MLA; 4) increase public awareness. Parents of children with learning difficulties were advised to have child tested, and go to the school counsellor and principal and request a suitable program.

Sewage Plan

Continued from page 1.

of the MAFC in 1957 the debenture period has been increased to 25 years from the previous 20 year period under the 1950-52 Self Liquidating Act. The current rate of interest is 7.75 per cent.

It is suggested that the maximum an individual would pay for the sewage treatment facilities is $13.76 per year. This amount is capable of retiring $150 capital loan in 25 years at 7.75 per cent interest.

Case studies: Town of St. Albert, Village of Gibbons and Lethbridge.

In 1972 St. Albert must expend $3,732,600 making a total current capital expenditure of $3,950,600 (including that part which is still under debenture). At present the annual debenture payment to cover this capital cost is $362,000. The break down of the debenture payment for 1972 consists of $153,000 from the municipal sewage treatment program (MSTP) and $209,000 from the town. As the population grows, the amount received from the program (MSTP) decreases and the town's portion grows. By 1977 the town has received $520,600 from the program (MSTP) and at this point the town is capable of meeting debenture payments without assistance. Between 1978 and '84 the per capita portion (based on 13.76) is in excess of the required debenture payment and money is refunded to the 'program'. The amount refunded in 1980 would be $38,600. By 1984 the town has repaid $520,000 an equal amount to the assistance received and thus the yearly per capita contribution drops to 9.17.

VILLAGE OF GIBBONS:

Receive $183,420 assistance from the 'program' but would only repay an estimated $68,420 to the 'program' by the time the total debenture was retired. $183,420 - $68,420 ($115,000 to the Village of Gibbons.

W.I. Seeks National Dress

Members of the St. Albert Womens' Institute are absorbed in the early planning stages of a forthcoming event for which they require a variety of national costumes, representing as many countries in the world as possible.

The Womens Institute feel that St. Albert's cosmopolitan population may hold many surprises in national costumes, and are very much hoping that they will be able to have a large variety of outfits for this particular event.

Costumes can be worn by the owner, or loaned. If loaned, then every precaution will be taken to ensure their return in the same condition that they were received.

Anyone who would like to assist the Womens Institute in this endeavour is asked to call president Doreen Robinson any evening after 6 p.m. at 599-3561.

ST. ALBERT PUBLIC SCHOOL DISTRICT NO. 3

ORIENTATION OF BEGINNERS

JUNE 16, 19, 20

8:35 A.M. TO 11:00 A.M. -- 12:25 P.M. TO 2:30 P.M.

The present grade one's will be dismissed on Wednesday, June 14th, and will receive their report cards at that time.

On June 16, 19 and 20th, classes to acquaint beginners with the grade one program will be held in the schools. All children resident in St. Albert School District No. 3 who will have attained the age of six years by the end of February, 1973, are eligible.

Attendance areas are:-

Mill Woods Town House proposal shows how such a housing development can be compact yet attractive. The plan, conceived by Lukay Research & Development features many of the amenities enjoyed by single-housing dwellers. For example, each unit has an underground parking stall, a private back yard, lawn and trees in front as well as access to a large park and playground area. The developer has also made provisions for visitor's parking stalls. Each unit will rent for about $195 per month and includes three bedrooms, storage space and a private rear entrance from the underground parking area. Mr. Lukay said he will attempt to make each unit look a bit different one from the other in an attempt to get away from the usual row-housing concept.

Lukay Town House Plan Accepted For Mill Woods

Edmonton City Council last week approved a submission for a 50-unit Town House proposal presented by Frank Lukay of 38 Balmoral Drive, St. Albert.

The elegant complex for the Mill Woods area of the city was approved after another submission was considered from Embassy Developments.

In his prospectus, Mr. Lukay of Lukay Research and Developments of Edmonton showed where the 50-unit housing complex, located on 3.2 acres of land would provide about 1,200 square feet of living space per family. The units all have three-bedrooms, a bath and one half with underground parking facilities for one vehicle. The two-storey structures are separated by a common concrete block wall. Each boasts a private yard, off a rather spacious park and playground area.

Mr. Lukay hasn't decided yet about the choice of exterior finish for his project but expects it to be either metal siding or stucco.

Besides being a very successful engineer and an instructor at NAIT, Mr. Lukay is also a councillor on the St. Albert Town Council.

103 Guides enjoy week-end camp

Eighty-four Girl Guides, six Cadets, 10 Guide Leaders, and three adults from St. Albert, Smoky Lake, and Winterburn went to Camp Lacombe, Lac Ste. Anne on two chartered buses Friday, May 12, after school for the weekend.

Twenty-one of the girls were in tents, the rest in bunk houses. All the girls in the tents did their own cooking, set up camp and did everything for themselves. Several of the girls were being tested for assorted camping badges. Mrs. Kay Garvin of St. Albert Camp Advisor came out to test four Guides for their Camp Leader badge.

The Guider in charge was Mrs. Evelyn Fraser of Gibbons. Miss Pauline Vaugeois and Mrs. Rena Yeats arranged the whole camp with the valuable help of Mrs. Lou Garrett and Mrs. Donna Purschke. Mrs. Mary O'Neill was Quarter-Master ably assisted by Debra Yeats Terry Varner, Terry Webber, Jill Leggett, Heather Tomlinson and Marylyne Laroche. Linda Yeats and Bobbi Varner were the young adults for Waterfront Precautions and Guides Own Church Service.

Hikes, games, rescue line, artificial respiration and campfire singing were included in the weekend program. Camp nurse was Mrs. Ilse Parkam from Smoky Lake, who was also enrolled as a Guider. Two Cadets were also enrolled in another ceremony.

All the Guides in the bunk houses had turns in the kitchen, cooking, washing dishes and cleaning rooms. A good time was had by all and they returned at 4 p.m., Sunday, tired but happy as they had real good weather. No rain!

The Guides ranged from 10 years to 15 years of age. Visitors were Mrs. Marion Brostrom, area commissioner and her husband Eric, and daughter Yvonne; Mrs. Lita York, division commissioner, and her husband Morgan, Mrs. Mary Smith, Grandin district commissioner, and her husband Gordon. Guide Leaders who stayed all weekend were Mrs. Andrea d'Heane from St. Albert, Mrs. Ilsa Parkam, Mrs. Olga Holowaychuck and Mrs. Letta Zekveld from Smoky Lake, Mrs. Rose McNairn and Mrs. Charlotte Hughes from Winterburn, and Mrs. Pam Mykityshyn from St. Albert.

Next camp is on June 2, 3 and 4 at 'Mio-We-Ko-Win' in St. Albert. This time all will be in tents but only 50 will be going. A special thanks to the Parish of St. Albert for their generosity in letting us use Camp Lacombe campsite and facilities.

A memo was received this week from the publicity director of the Edmonton Experimental Theatre regarding date changes in the presentation of 'Cowbones.' The new dates are as follows: Evening performances will be held at 8:30 p.m., June 8 and June 15. Matinees at 2:30 p.m. on June 14, 17 and 18 with no performance Monday.

Residents of St. Albert and surrounding areas who enjoy songs, music and a real fun time are in for a treat Friday, May 26 at Sir George Simpson School. That's where the local group called 'Sing-Out St. Albert' will perform at 8 p.m. And there's no admission price. This will be the third year Sing-Out St. Albert goes on stage with only one difference this year, their theme is "Up With People." When asked what was the ultimate aim of the group, Nancy Glaister and Debbie Rutledge replied, "we just want to make people happy." Numbering about 30 students of junior and senior high school, Sing-Out St. Albert's program will include group singing, solos plus audience participatory numbers, all to the accompaniment of their own band.

** ** **

The 'new look' Blossom Ball, sponsored annually by the Hospital Auxiliary, will have no banquet with speeches, and will start at 9 p.m. with dancing to the fabulous Rube Quartette, with a midnight smorgasbord. A beautiful hand-woven rug will be raffled during the evening, on which ticket sales are reported very big, and there will be door prize and spot prizes as well. Tickets are only $7 a couple and dress is semi-formal for the event in Morinville Recreation Centre. If you haven't got yours yet, telephone 599-3451 days or 599-6826 evenings. There may be some still available, and it looks like a terrific night.

Death Penalty Rears Its Head Again

Unless strong appeals backed by reasoned arguments are made to public opinion, Canada's qualified abolition of the death penalty is likely to end by default. On Dec. 29, the five year trial period under which capital punishment has been suspended--except for the murder of prison guards and police officers - will be over. Meanwhile, a recent Gallup poll indicates that 63% of those questioned felt that the death penalty should be brought back. Only 30% felt it should not. The overwhelming majority of those favoring the death penalty in the poll felt that it was necessary as a deterrent in view of a rising murder rate. But the murder figures, The Financial Post points out, need much examination and raise questions that urgently need answers. If the suspension of capital punishment is to be renewed by yearend, it is clear that those who oppose capital punishment will have to get out and sell their case once again. This is an issue on which Canadian governments have customarily allowed a free vote in Parliament, with party lines washed out, since it is a matter peculiarly touching the individual conscience. Governments on this issue have not really given a lead, though how cabinet members themselves feel appears to be indicated by the fact that there has not been an execution for murder in a decade.

"I'm so grateful for my first-aid training," exclaimed the girl. "Last night there was an accident right in front of my house. An old man was knocked down by a car and was bleeding and everything. He was moaning and yelling.

"That's when my first-aid training came back to me. I put my head between my knees to keep from fainting."

U of A Graduate Hired To Manage Swimming Pool

Rob McPhee, recently hired town swimming pool director foresees a very interesting and fruitful summer season here in St. Albert. The pool was officially opened for the season Saturday and was in full swing for the long Victoria-Day weekend.

In charge of St. Albert's swimming pool and aquatic program this summer is Rob McPhee, a 21 year old graduate of the Camrose High School and a more recent recipient of a B.Ed. degree from the University of Alberta.

Mr. McPhee comes to his new position with an enviable record of aquatic achievements. While attending the University of Alberta he swam competitively with the U of A team. He is the holder of a National Life Guard badge, belongs to the Royal Life Saving Society in which he received an award of merit and a distinction award. In addition Rob has his Red Cross Instructor's award.

During the summer months, Mr. McPhee's duties will include all swimming pool activities including instructions in swimming, life-guarding and the general management of St. Albert's swimming complex.

Mr. McPhee is an educator by profession but has always been an avid swimmer. In view of this, he expressed delight in being employed here in St. Albert as swimming pool director and is looking forward to a very enjoyable summer. He has assisting him, a staff of 14 people including life guards, cashiers and a night watchman.

AROUND TOWN

The staff over at the Credit Union office have had a light installed in the front window, in readiness for the "Watch for the Light" contest, and manager Leo Alain advises that the Million dollar day is fast approaching. Better get your entries in for Guess and Win, too.

** ** **

Mrs. Agnes MacLean got a new name last week, through an error in a Gazette picture cutline, which called her Mrs. Lindsay. Fortunately both ladies were winners of $100 worth of Grandin Shoppers Bucks, which softened the blow.

Council Roundup

A letter from the Catholic School District No. 3 requesting that a school sign be installed in the Albert Lacombe School area was referred to the transportation and police committees.

Council approved a recommendation from the St. Albert Student Exchange Committee that a banquet be held by the town for the Newfoundland exchange students. It was suggested, however, that parents attending the banquet pay for their own meal.

Increases in salaries were awarded to the various heads of town departments: J. Mandaag, J. Beedle, J. D. Roberts, F. Tetarenko and J. Bertsch. Mrs. Acker, who is still serving within her first year was not included in the wage increases. Chief administrator Dan O'Connell was also awarded a pay increase, effective April 3 plus expenses at no fixed rate.

Recommendations from the transportation committee were approved by council Monday relating to approximately $10,000 worth of signs. These include two directional signs on Highway 2 at both north and south limits of St. Albert; neighborhood signs identifying geographical subdivisions within the town plus a large advertising sign structure erected adjacent to the two proposed highway directional signs. The latter two advertising signs will feature various town services and facilities plus other pertinent information of interest to visitors.

Council ratified another recommendation from the transportation committee that traffic lights be installed soon as possible on Hebert Road, Ball Avenue and St. Anne Street. In relation to the traffic question in town, speed limits were discussed and a recommendation by the Police Commission that the speed limit on Highway 2 within the town limits be reduced from 40 to 30 miles per hour was defeated. Council adopted a wait-and-see attitude now that traffic lights are going up at three trouble spots.

Councillor R. Throndson brought up the question of bicycles in town and asked what regulatory by-law the town had in this regard. Councillor Hudson who is a member of the Police Commission answered that the Commission will meet with the RCMP very soon and hammer out the by-law. Corp. S. Fookes of the local RCMP was asked to give his views on the matter. From the spectator's gallery, Corp. Fookes explained to council that the police need a by-law with which to enforce bicycle infractions. He said that since most of the offenders were juveniles, legal action against them cannot be taken, "but the bicycle can be impounded for up to 60 days," said the Corporal. Council approved the recommendation unanimously.

Guess who: one of the councillors asked for a report on the new town budget . . . give up? . . . Well, it was Councillor J. Bakker who asked, "when can we see a final draft of the budget?" Chief Administrator Dan O'Connell explained that the town has not received the school requisitions yet and that the deadline for same was May 15. He promised to get in touch with the school boards and also tentatively set May 29 as budget target date.

Councillor Hudson expressed concern with the high costs of equipment rentals by the town and asked for a constant watch on these and other fluctuating town expenses. Chief Administrator Dan O'Connell told council that he plans to submit a report of town expenses on a quarterly basis, starting July 1st.

After taking a voice-vote from councillors present, Mayor Gibbon came to the conclusion that four or more members will be present at the Banff Seminar June 4 to 7th.

Mayor Gibbon also asked that his holiday dates be changed to read from May 29 to June 26, during which time he and his family will be away on holidays and he will thus miss council meetings during this period. His request was unanimously approved. Council also approved a motion by Mayor Gibbon that the May 29 meeting, which was slated as a committee meeting become a regular meeting.

Newly-appointed town secretary-treasurer, R. B. Bowen was initiated to his job Monday night at the regular meeting of council.

Mr. Bowen acquitted himself with ease and handled all items of business directed his way like a true veteran.

His many years' experience in municipal affairs coupled with the obvious fact that he had done his homework gave him top marks at his first meeting here.

The hours we pass with happy prospects in view are more pleasing than those crowded with fruition.
—Goldsmith

Rain bugs Little Leaguers in tight game schedule

The Mosquito Division of the Little League Baseball was rained out for all intents and purposes last week with only one game of the eight that were scheduled being played. That game saw the Phillies down the Apollos 28 to 5. The one game completed in the Beaver Division resulted in the score of the Angels 17 and the Dodgers 4.

The Bantam Division fared a little better with the weatherman co-operating on Tuesday, May 16 which allowed the Orioles squeeze by the Cardinals one to nothing and the Cubs to beat the Expos 20 to 7.

Coaches are reminded that rained out games must be made up. It is hoped that the games rained out last week may be played as soon as possible so that standings may be brought up to date. When phoning in scores, please indicate if a game is a "make up" and when it was actually supposed to have been played.

At the end of the week the league standings are as follows:

MOSQUITO DIVISION:

	W	L	Stg
Phillies	3	0	1
Totems	2	0	1
Broncos	1	0	1
Lions	2	0	1
Apollos	1	2	2
Oilers	0	2	3
Mustangs	0	2	3
Red Sox	0	2	3
Eskimos	0	1	3

BEAVER DIVISION:

	W	L	Stg
Angels	3	0	1
White Sox	1	1	2
Pirates	1	1	2
Giants	1	1	2
Dodgers	1	1	2
Braves	0	1	3
Mets	0	1	3

BANTAM DIVISION:

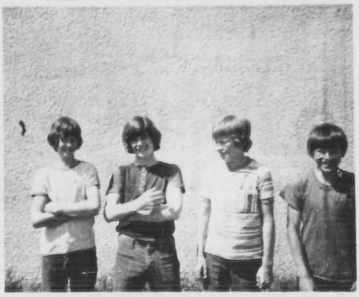
	W	L	Stg
Cubs	3	0	1
Orioles	2	0	1
Expos	1	1	2
Twins	0	2	3
Cardinals	0	3	3

Father Jan team does well

A team from Father Jan competed in this year's five-mile race competition sponsored by the Edmonton Journal, in a new category for junior high schools. They came in second to St. Brendan's school in Edmonton, with four teams competing.

David Marion was Father Jan's best runner, placing 55th, which was only two placings behind the best junior high runner, in a respectable time of 31 minutes, 14 seconds. Brian MacDougal, with a time of 31 minutes, 50 seconds, placed 63rd in the race, which had 130 runners competing.

Sandy Millroy placed 80th with 34 minutes, 3 seconds and Mike Wynnyk came in 98th with a time of 37 minutes.



Mike Wynnyk, left, David Marion, Sandy Millroy and Brian MacDougall represented Father Jan School in the Journal's annual 5-mile race. The team gave a good account of themselves, placing second out of four teams competing in their category.

ST. ALBERT RECREATION

SWIMMING LESSON REGISTRATION

Registrations for swimming lessons will be accepted at the Clubhouse (beside the swimming pool) on May 24 and 25 between 7 and 9 p.m. For further information phone the recreation department at 599-6601.

DEFENSIVE DRIVING

Please phone the department of recreation at 599-6601 if you are interested in taking a course in Defensive Driving. If enough interest is shown it may be possible to arrange another of these very worthwhile courses.

CYCLING FOR LADIES

The first outing of this new group of lady cyclists was held on May 17. Mrs. Flesher at 599-4590 would be very pleased to hear from anyone interested in joining the group.

TENNIS

There will be a casual ladies morning each Thursday at 10 a.m. Any ladies who are interested in getting together to play some games should go down to the courts at that time.

The club is again sponsoring an inter high school tournament St. Albert High and Paul Kane will be playing for the St. Albert Tennis Club High School Challenge Cup on Sunday, May 28 and the tournament will be in play from 1:30 - 2:30 p.m. Courts will be available for club members after 2:30 p.m.

The first two inter-club games have now been played. The B1 team (for this occasion composed of Bernice and Roberta Parsons, Clark Warren and Fraser Fairweather) was at home to Garneau and played to a four all tie. The B2 team (at present made up of Ann Kirk, Angela Sonntag, Lorne Wood and Al Hoge) lost to Hillcrest at Hillcrest.

All club members who are on the challenge ladders are reminded that when you are challenged to a game you are obliged to set a mutually satisfactory date, to play the match within four days or forfeit your ladder position. Let's all get out and play some challenge matches and make an active ladder.

SQUARE DANCING:

The last meeting this season of the St. Albert Saints and Sinners Square Dance Club will be held this Saturday, May 27 in the Clubhouse at 7:30 p.m. The club has enjoyed a very successful year.

Calahoo Chiefs Come Close

Calahoo Chiefs scored 11 runs in the last two innings but lost 16 - 15 to Rite Equipment in the annual May holiday fastball tournament in Calahoo.

The Chiefs appeared to be out of the game in the fifth inning with Rite Equipment holding a 15 - 4 lead. They then went to work, scoring seven runs in the sixth and four more in the seventh to pull within one run before Rite managed to get the third man out. Murray Pruden took the win while Dick Bird was charged with the loss.

The win for Rite Equipment was worth $60 for A division while Calahoo took the B draw.

Rite reached the finals with wins over Villeneuve 4 - 1, CJD Implements 4-3 and 8-2 over Stony Plain.

Chiefs lost their first game 10 - 7 to Spruce Grove but then recorded wins over Royal Trust 8 - 0 and Villeneuve 16 - 11.

As usual the weatherman co-operated as did the crowds and once again the tournament was a success.

LION'S AUCTION

The Lions Second Annual Auction goes again on SATURDAY, APRIL 27 at 10 a.m. in the Arena. There are many, many useful used articles for home, office or cottage. We have both gas and electric ranges, TV's in working order, cribs, lamps, antique and modern (?) furniture, boots, skis, skates, toys (a beautiful tots car). There are a number of new articles donated by local merchants. We even have a kitchen sink (brand new).

Annual Kinsmen Rodeo Adopts 'Big Hoss' Theme

The above Kinsmen work party attacked the Rodeo Grounds last weekend with vim and vigor which resulted in a lot of hard work being done. The volunteers erected snow fences to control the crowds, set-up booths and took care of general repairs to the site of the annual St. Albert Rodeo 111 operating this year under the 'Big Hoss' motto. Dates this year for the giant outdoors extravaganza are June 17 - 18.

"Big Hoss" is the name of this year's St. Albert Kinsmen Rodeo 111 and a full two-day program is on tap for young and old. By a full program we mean that festivities will begin Friday night, June 16 at 8 p.m. and continue through Sunday, June 18. That's what we call a full two-day program . . or should we say a long weekend?

Friday night at 8 p.m. the St. Albert Kinsmen Rodeo 111 Beer Festival will be starting off the weekend of activities highlighting The Privilege. Next day starts with the Grandin Shoppers' Park Businessmen's Association pancake breakfast at 8 a.m. and from then on the program moves forward at full tilt. There will be the Alberta All-Girls' Drum and Bugle Band, the parade, the opening of the midway plus a presentation by the Pitch and Spice while the rodeo starts its first performance at 2 o'clock.

Price of admission to the grounds this year will be $2 and there's lots to see and do. Rodeo stock will again be supplied by Reg Kesler, well-known rodeo stock supplier throughout the U.S. and Canada, accompanied by Rodeo announcer Bill Hold.

This year's Kinsmen Rodeo Committee is made up of the following stalwarts: Ken Pollon, chairman; Ernie Speake, sec.-treas.; Terry Moore, advertising manager; Erling Winquist, festival; Al Perry, concessions; Art "Big Hoss" McDonald, rodeo grounds; Ron LeVang, parade; Doug Woods, queen contest; Don Sinclair, past-chairman; Dave Stewart, Kin. president and official host plus the entire membership of 45 will also do their bit as official hosts.

Sugarcane farmers in Hawaii say a ton of water is needed to produce a pound of sugar.

American industry emits 30 million tons of pollutants into the sky each year, according to National Geographic's book "As We Live and Breathe: The Challenge of Our Environment."

Inspection of vehicles before any operation is very important. Shown here are some of the vehicles in use in exercise "Coverall" being checked over by Edmonton Militia Service Battalion technicians.

Cadets go to Redwater

Recently the St. Albert 533 Air Cadet Squadron held Exercise "Coverall" at the Militia training area at Redwater supported by the elements of the Edmonton Militia Service Battalion.

This was a combined exercise planned to show the squadron members the deployment and operation of the land elements of the armed forces.

It turned out to be a great ride with all members having the opportunity to "barrel through the boondocks" in the 2 1/2 ton six wheel vehicles affectionately referred to as "Deuce and a half." The exercise was appropriately named "Coverall" as all cadets and cadettes were fitted out in militia coveralls.

The highlight of the day aside from chow time was viewing the efforts of the Militiamen to recover three deuces that were bogged down in water and sand.

It is hoped that this can be made into an annual event whereby the Edmonton Militia District will operate in support of the St. Albert Air Cadet Squadron.

Two Die in Weekend Tent Fire; 3 Injured

Two St. Albert children died during the Victoria Day weekend in a tent fire presumed to have been touched off by fireworks. Three of the five children, asleep in the tent at the time of the fire suffered extensive burns, two of them seriously.

RCMP from the St. Albert detachment were called to the home of Mr. and Mrs. Albert Bergman, 70 Garden Crescent Sunday morning at about 2:15 where a tent, set up in the back yard was ablaze. RCMP summoned the local fire department immediately.

Two bodies were found in the smoldering sleeping bags and what was left of the tent, Kimberley Hammer, age 10 of 71 Garden Crescent and Dianne Rosenberg age 11 of 69 Garden Crescent. Seriously burned and rushed to hospital were Bruce Hammer, age 5, Keir Hammer, age 8 and Karen Bergman, age 10 of 70 Garden Crescent.

Both Bruce and Keir Hammer were later transfered to a city hospital where they are reported to be in serious condition. Karen Bergman is reported to be improving in Sturgeon General Hospital.

Please Note

The residents of St. Albert and District are requested not to use the number listed in the St. Albert Directory as St. Albert SWIM Club for enquiries about the pool. This number is not the pool number, and is only to be used for enquiries about the Swimming Team. The St. Albert Pool has an unlisted number for obvious reasons.

People find trouble or beauty - whichever they are looking for.

Close Annual Auction Deadline Makes Lion Huberdeau Restless

The few who attended the Lion's Breakfast Club meeting Tuesday heard Lion John Huberdeau roar about the coming auction sale. He said he didn't want to let his temper get the best of him but he did make it abundantly clear that he was indeed very 'irate.'

Zone Chairman Huberdeau said, "we're only a few days away from our annual auction sale and to date, nobody, excepting a few Lions seem to give a damn about this very important money-raising event." He continued his complaint to the membership at large by saying that he needed volunteers for Friday night and Saturday morning, "if we're going to make a success of this sale," he concluded.

Lion President John Kaminski agreed that assistance was required to make this fund-raising event a success and promised that the Telephone Committee will get going "recruiting volunteers."

In the meantime, all members of the Lions' Breakfast Club are urged to please volunteer before you have to be called, simply by dialing 599-3456; 599-7550 or 599-6829. For the residents who have usable items around the house, attic or garage, which are no longer in use, please call the above numbers and have a Lion call on you to collect your cast-aways.

Sign on the back of a truck: "We stop for railroad crossings and blondes. For redheads, we back up."

One of the most distinguished and decorated Lion's Breakfast Club members, Dr. W. Cuts received another pin Tuesday morning, this one from Past District Governor Alex Tait of Edmonton. The Safari Badge was awarded Dr. Cuts for having signed-up five new members in 1968-69 during a membership drive For this award, the Lions' Breakfast Club was also awarded a Safari Pennant.

While Dr. Cuts had the floor (after receiving his award) announced that the local band was in dire need of new instruments and suggested that the Lion's Breakfast Club make plans to raise money for this project.

Tail Twister Eric Robinson, who has been a real spark plug with youth bowling in St. Albert reported an $80 deficit brought about by the generous purchase of trophies for the young bowlers plus a more-than-generous banquet provided for these worthy youngsters. The Lions voted unanimously to cover the deficit.

Two Lion projects were announced at the breakfast meeting, both being participatory ones running in conjunction with the Kinsmen's Rodeo June 17 - 18. Lion Robinson described a balloon race which sounds like a great idea. He has it figured out that participants will acquire a helium-filled balloon from the Lion booth, tag it with the sender's name address and phone number. After a set deadline, such as 30 days, the balloon reported to have travelled the greatest distance will win a prize for its sponsor. More details will be given after Lion Eric Robinson has streamlined his project.

The other project was announced by Lion Ed Dunik who said both St. Albert Lion Clubs will sponsor a float for the Kinsmen's Rodeo parade. Ed said that the Lions this year will be featuring "A Happy Face."

Program is announced for Goldeye seminars

By Liz McLeod

Mr. Ken Stickland, director of youth and information, sent a letter to the Calahoo Women's Institute with complete information on this year's Co-operative Youth Seminars at Goldeye Lake Centre. Young people of the district are reminded that applications should be mailed at least two weeks prior to the seminar of choice, and preferably by June 30, 1972.

The aim of the seminars is to bring to young people an awareness of their role in the community, and how they can contribute to their communities. Goldeye Centre is located 110 miles west of Red Deer, and the seminars are sponsored by Rural Education and Development Association (REDA) at 9934 - 106 Street, Edmonton, TSK 1C4.

Seminars are open to any young adult between the ages of 16 and 20, who has not previously attended a youth seminar. This year's program will include five:-- *Co-operatives and co-operation; *Organization (Why organize? What are the costs and benefits of organization? How can one evaluate and terminate groups?) *Group Dynamics (Leadership Skills etc.); *Decision making and personal Goal setting; *Social issues and you (Employment problems of youth etc.).

A charter bus for the respective seminars from July 16 through 30 leaves at different points and the one pertaining to this area is as follows: Bus #8 (Region 3, 5 and 9) leaving Westlock Bus Depot at 10:15 a.m. Sunday, July 30.

For the convenience of those who wish to meet the bus along the way, stops will be made at Morinville, Stony Plain and Edmonton with arrival at Goldeye at 5:10 p.m.

The bus returns on August 5, stopping at Edmonton, Stony Plain, Morinville and Westlock at 4:40 p.m.

The sponsorship fee of $40 includes transportation from a central point to and from camp and a room and meals at camp. Each applicant will have to pay an additional $5 registration fee upon arrival at camp.

Young people attending should bring warm bed rolls, pillow, pillowcase, soap, towels, bathing suit, sports shoes, ball glove, rubbers, raincoat and camera. Anyone who plays a musical instrument should bring it. Casual clothing is suitable. An optional activity could make one dress up outfit useful.

For further information contact Mr. Stickland.

Alcomdale 4H holds Achievment Day

By Elizabeth Stitsen

The Alcomdale 4H Sewing Club staged a fashion show for their Achievement Day program, which served to show the girl's work and was most entertaining for the parents and friends who attended. The fashions were shown in four parts, with speak-off winners, a sing song, and a set of three skits, programmed between.

Corsages were given leader, Mrs. H. Busenius and assistant, Mrs. L. Whitson at the beginning of the evening, and during the program the girls also presented their leaders with gifts.

An exciting part of the evening was the presentations of awards: Cindy Trautman received the peewee club trophy; Margret Mensink was presented with the 1st year trophy by Mr. Lister, representing the Alcomdale Community League

The Royal Bank trophy went to Helen Busenius, 2nd year winner; 3rd year trophy was awarded to Elizabeth Stitsen, a club trophy. The 4th year club trophy was received by Mary Mensink.

Margret Mensink also won the efficiency award, donated by the Busby WI. As Margret will be unable to attend Club Week, runner-up Elizabeth Stitsen will attend. Elizabeth was also named "Miss Congeniality" and was presented with the award.

Mrs. Busenius presented first year pins to Margret Mensink, Cindy Trautman and Denise Dionne.

Mrs. Whitson presented perfect attendance awards to Helen Busenius, Cindy Trautman, Margret Mensink, Mary Mensink, Kathy Kyle and Elizabeth Stitsen.

A gift was presented to Elizabeth Stitsen as a thank you for running for Westlock Carnival Queen.

Thank yous were given to the donors of the trophies, the people who came to Achievement Day and to the judges, by Denise Dionne and Cindy Trautman.

Lunch was then served by the club members.

At the May meeting the club discussed plans for the 4H Rally on July 4 in Alcomdale. It was decided that each family would bring buns, weiners, salads and cookies sufficient for their own family.

The June meeting will be combined with a year-end party, in the form of a weiner roast at Trautmans on June 3, beginning at 1 p.m. At the close of the meeting Mr. Yuill showed an interesting film on Red Cross work.

AT GRANDIN SHOPPERS' PARK

MORINVILLE MEMOS

By Rose Martel

On May 17 Georges P. Vanier high school, Morinville, hosted the spring track meet for high school students from Redwater, St. Albert, Legal and Morinville participating. It proved to be an exciting meet. Legal led throughout the meet, with Redwater and Georges P. Vanier trailing and St. Albert and Paul Kane pulling up the rear. The total points results showed Legal. First with an aggregate total of 287 points; Redwater, 171; Georges P. Vanier, 147; and St. Albert - 96 points.

Each of the schools had many competitors that reached the top four positions and received ribbons. Georges P. Vanier had 46 ribbon winners and the Morinville students also scored seven firsts, 17 second's, 13 third's and nine fourths.

All the first and second place competitors will go to the North Central competitions in Sherwood Park, May 27, when Georges P. Vanier will send 16 competitors. Track competitions for junior and elementary students will be held in the beginning of June.

The Thibault school administration has announced that all schools in Morinville will hold regular classes on Farmer's Day, Friday, june 9. As a direct result of that change, the MYR have cancelled the "Sage" band for the dance they had planned for June 8.

Twenty-eight students of the 1972 graduating Grade XII classes from Georges P. Vanier high school were special guests at a prom dance held May 20. It was sponsored by the Student's Union with help from the Thibault school board and some teachers, and a good crowd was on hand for a most enjoyable evening. The theme was "Midnight in Moscow" and a silhouette of the Russian spiralled city was a work of art by the students, along with the countless tiny colored stars dancing on the ceiling. The portal entry for the grand march was a stark black frame, decorated with star lights and white barked tree forms. Master of ceremonies for the introduction of each graduate and escort was Mr. Calvin Saldern, fellow student of the graduates. The colorful gowns of the young ladies were complimented by the stylish dress of their escorts. At midnight a sumptuous buffet supper was served in a candlelight atmosphere at individual tables with soft dinner music from Dr. Zhivago theme.

Among those reported in hospital this past week were Mrs. Jeannette Hittinger, Mrs. Donat Taillieur, Mrs. Irene Devolder, Hector Boissonnault and Mrs. Lorette Craig.

Mrs. Arthur Montpellier from Donnelly, accompanied by her son, Paul was a business visitor in Morinville last week.

Mrs. Rachel Brenneis was a weekend visitor in Morinville also, from Edmonton.

It was announced this past week that Corporal David Rooke, RCMP and family will leave Morinville at the end of June. The replacement to head the local RCMP personnel is reported as Corporal Marvin Sherperd from Bieseker, Alberta.

The dealine for nominations for the 1972 Citizen of the Year Award, sponsored by the Morinville Lions, is June 16. Sealed entries containing only one nomination per resident of Morinville and district, 18 years and over, will be accepted by Lions Club Committee members, Garnet Wiley, Arthur Stapleton or Pete Gibeault. Each nomination must include a biography or reasons for nomination by each nominator and full signature. An impartial judging committee will review each nomination.

At the May meeting of the Morinville Christian Ladies, Mrs. Solange Bachand, general convener, gave a detailed report of the spring fashion show recently sponsored by the group. It was decided that the ladies would host a pot luck supper and social evening on the last evening that the visiting students from Louiseville, P.Q., will spend with our local students in early August. Mrs. Germaine Beland took charge of the float for the Frontier Daze parade, with a group of volunteers. The appointment of the steering committee for Vocation Week in September was made, which will include the presidents of both student bodies, the Student Union and the MYR.

On Sunday, May 28 the Morinville MYR will hold a cash bingo beginning at 8 p.m. in the Morinville Centre. President Denis Pelletier extends a cordial invitation to all citizens to attend.

The recent Mother's Day tea and bake sale sponsored by the Morinville United Church Ladies was a good success.

Last call for all residents to clean-up, paint-up and make Morinville beautiful. The June supper meeting of the Board of Trade will be held June 5 at the Legion Hall.

Miss M. Chamberlain from Legal, co-ordinator for the summer recreation program for MD of Sturgeon and several other youths, were guests of the Morinville Recreation Board last week, and visited the Senior Citizens Card Club members.

Frontier Daze features Chariots & Chuck Wagons

Chuckwagon and Chariot races will be an exciting feature of Frontier Daze in Morinville this year, and the events have attracted top drivers from many parts of Alberta.

A five-acre track has been built for the events, which will see 14 chuckwagon and 20 chariots in competition for the prize money. These events tie-in very well with the 'frontier' theme, and are sure to attract large crowds. People of all ages are thrilled with both types of races, where the skill of the drivers is exciting to watch, as wagons, chariots and horses careen around the track in true early western style.

After gate admission spectators will see the races free, on both Saturday and Sunday, June 17 and 18. Chariot racing goes from 2 - 4 p.m., and Chuckwagons from 7 - 9 on both days.

Are you willing to invest in your construction and management know how? Butler is.

We have franchise opportunities available in the Edmonton area

In the construction business, know-how is your most important asset. Butler can help make it work for you.

Butler is the largest producer of pre-engineered buildings for commercial, community and industrial markets. Butler leadership is built on innovation -- things like unique flat roof design, modular construction and an exclusive roof closing system.

To qualify for this Butler sales territory, you need construction know-how, a financial investment and a supporting organization. Butler, in turn, will back you up with the strongest manufacturing and marketing systems in the industry.

Why not build your future around Butler.

If you are interested, please forward a brief

BON ACCORD

By Sadie Allen

A good crowd was on hand to witness the annual inspection of Cadet Squad #524 on Tuesday, May 16. Reviewing officers were Major Tom Robson, Cpl. Terry Hallett and W. O. Hess, District Cadet Office, Griesbach and Cpl. Ron Stewart, Liaison officer, Namao. Perfect attendance pins were presented to 1st year cadets: C. Chalifoux, V. Reynolds, LAC's Broda, Fizer, Moore and Loblick; 3rd year, Sgt. Ferbey; 4th year, Flt. Sgt. Carleton; 5th year, WO2 Moore. Lapel pins were awarded to LAC's Teague, Moore, B. and Broda for high sales of tickets on the trip to Hawaii. C. O. Walter Chubb was presented with a 12 year service ribbon, Mike Larner, boxing instructor received his instructor's certificate, Gary Moore his Warrant Officer's certificate and notification was made to Flt. Sgt. Kirk Carleton that he had been awarded the Flying Scholarship. Sgt. Ferbey attended a ground search and rescue camp at Camp Wright, Athabasca on May 20, 21 and 22. Representatives from the prov. committee were Floyd Terriff and Bill Hart. Crowd pleasers were the perfect flight and landing of his remote-controlled plane by Merlin Loblick and a boxing display by cadets Loblick, Mabbutt, Ruttan and Zaychuk.

Grades 1 to 9 will take part in the annual track meet to be held at Gibbons on June 2 or in case of rain on June 5. Its always more fun to perform for an audience, so how about turning out to encourage our young athletes?

Debbie Uchacz attended a camp counsellor training camp at Vermilion on May 12, 13 and 14.

May 27 is clean-up day for the Village of Bon Accord Everyone is urged to get out and clean-up their yards and street frontage and pile all garbage on the front of lots where it will be picked up and taken to the nuisance grounds. Elderly or ill residents who require assistance may obtain same by contacting Dee Knobbe, 998-3568. A weiner roast, courtesy of the BA Lions will be held for all workers at the ball park following completion of the clean-up. Starting time is planned for 12 noon. The use of some trucks has been volunteered but more are needed and would be appreciated. If the weather should prove uncooperative clean-up day will be set over until June 3.

Dr. Geraldine Forbes (nee Jerry Hancock) will give a lecture on Bangla Desh at the BA United Church on June 6 at 8 p.m. Dr. Forbes, who is with the History Department, State U College of New York at Oswego, spent some months in India working on her thesis and became very aware of the situation there. Since then she has done intensive study on Bangla Desh and plans to go back this summer for further study. Coffee will be served in the church basement after the lecture. There will be a collection for Missions. Everyone is welcome to attend.

Residents are reminded of Rural Life Sunday on Sunday, May 28 at 11 a.m. in the Namao Hall. Ladies from Bon Accord are requested to bring pie as their contribution.

Recent visitors to the L. Neilson home were Louis' brother-in-law and sister Mr. and Mrs. Ronald Rikard of Vancouver Island.

Bon Accord girls made a good show for LaZerte High School in City High School Track and Field events on May 20 with Debbie Uchacz copping off second place in the 880, 440, hurdles and the discus throw, while Sharon Draper finished third in the 880 and Sharon and Karen both ran in the relay with their team coming in second. Congratulations, girls.

Legal CWL News

By Mary Quaghebeur

The St. Emiles Legal CWL held its May meeting at the recreation centre, when seven members were present.

Spiritual program was read by Madeline Cornelis and Mickey Stapleton read the financial report.

An interesting letter was read from the Canadian Mental Health Association, Mrs. Cecil Allen and Mrs. Richard Hunting were nominated as social conveners, with the rest of the members as helpers.

Discussion followed on the float for the "Fete au Village" in July.

Sympathy is extended to the Cornelis family on the untimely death of their parents.

Next meeting June 20.

LEGAL LOCALS

By Lucienne Montpetit

Gaston Parent and Irene Tieulie were feted at a social evening last Saturday at the community hall. The happy couple will exchange marriage vows on June 3.

Mr. and Mrs. Jos Theberge and Marie travelled to Fort McMurray to visit with relatives for the long weekend.

The grade seven students would like to thank all the ladies that helped to organize and contributed to their bake sale last Saturday. The winners of the cakes were Rita St. Martin and Mrs. Jeanne de Champlain. We would also like to thank all those who helped us to realize our project, (A Trip to Peace River).

Mrs. Remillard's grandsons from Radville, Saskatchewan spent the long weekend with her.

Expressions of sympathy to Mr. and Mrs. John Cornelis and family who are mourning the loss of their parents Mr. and Mrs. Camill Cornelis who were the victim of a car accident last week.

Mr. and Mrs. Raoul St. Jean motored to Slave Lake on the weekend to attend Peter Lester's wedding.

Laurier Brisson from Regina, Saskatchewan, enjoyed his long weekend at home with his family and friends.

The Senior Citizens of the Chateau Sturgeon were very pleased to meet Mr. Carl Royan, recreation director and a number of students that will be involved in the STEP program during the summer months. This program is sponsored by the Department of Culture, Youth and Recreation.

Mayor Leon St. Martin welcomed everyone then called upon Mr. Royan to explain the STEP program. This program is designed to work towards the total involvement of the Senior Citizens in worthwhile recreational pursuits both at the participant and leadership level, also to develop an awareness and establish an operational framework within municipal government for the recreational needs of the senior citizens. Leonard Forcade, chairman of the Legal Recreation Board explained the program in french.

Marjolaine Chamberland is employed for this area and will be working with the senior citizens to get activities going. Groups were formed of a student with six senior citizens and everyone had the opportunity to give their ideas as to what they wanted and prefered in form of recreation.

The very efficient staff at the Chateau served a very delicious lunch to all present.

Legal couple passes

On May 17, 1972, Mr. and Mrs. Camill Cornelis of Legal passed away suddenly at the ages of 71 and 73.

Camill Cornelis born Dec. 1900 came from Belgium with two sisters and one brother in April of 1914, where they joined two other brothers in Mayerthorpe. Parents and other members of the family joined them later. Mr. Cornelis homesteaded at Mayerthorpe for approximately six years before moving to a farm at Morinville. There he married Alida Rutjens in March 1925.

Alida Rutjens was born in Belgium October 1898 and came to Canada with friends in April 1922 to join her sister Mrs. Mary Bolle in Morinville.

The family farmed in Morinville district until they took up farming in Legal in 1928. They retired and continued to reside there until their death.

They are survived by one son John, Legal; one daughter Mrs. A. (Madeline) Van Brabant, Riviere Qui Barre; and 13 grandchildren. Camill leaves one brother Louis of Greencourt, two sisters, Mrs. Delphine Olson and Mrs. Amelie Guntonof Mayerthorpe. Alida leaves one sister Mrs. Mary Bolle of Legal and one brother in Belgium.

Funeral services were conducted by Rev. Father R. Bissonnette and Rev. Father L. Tellier, on May 20 at St. Emile Church in Legal. Interment was in the church cemetery.

Enter the Canadian Conference of the Arts'

"Hear Canada Singing" Song Writing Competition.

Sponsored by the Canadian Conference of the Arts and supported by Molson Canadian, this competition offers the winners a share of $17,500 in grants to further their music careers, and a tremendous chance to have their songs heard.

Here's the "big opportunity" for Canadians who write their own songs about life in Canada. Because the Canadian Conference of the Arts and Molson Canadian believe that Canadian life is well expressed by the song writers of this country, they believe more people should be given the chance to hear them. And that's the reason for the song competition.
All songs entered in "Hear Canada Singing" will be judged for merit by an independent panel of some of the nation's top professional musicians. The songs judged to have the most merit will be recorded, and records distributed and promoted to radio stations. Publicity kits on the songs and the composers will be sent to newspapers and radio stations. And as an added incentive the writers of the top songs will share $17,500 in grants to further their music careers.
A chance to have songs heard! Personal publicity! The Hear Canada Singing Song Writing competition is the dream-come-true break for any career.

Send your name and address to:
"Hear Canada Singing"
Canadian Conference of the Arts
P.O. Box 2345, Station "D"
OTTAWA K1P 5W5
We'll mail back an official competition entry form and full details.

Short - Huber Wedding

MR. AND MRS. D. SHORT

Father Allan Stack conducted the wedding service for Louise Mary Huber, daughter of Mr. and Mrs. Leo Huber, R.R. 2 St. Albert and Douglas Robert Short, son of Mr. and Mrs. Roy W. Short of 13216 - 73 Street, Edmonton. The double ring ceremony was held April 29, 1972 in Our Lady of Lorretta Roman Catholic Chapel at Namao.

Given in marriage by her father, the bride was radiant in a white floor length gown of her own design. The simple A-line gown with a flowing train was fashioned in lace. Her veil was held in place by a Lily of the Valley arrangement and she carried a bouquet of white daisies and pink sweetheart roses.

The bridesmaids Miss Colette Forest and Miss Theresa Huber wore identical floor length gowns in a pink floral print. They carried bouquets of white and yellow mums. Miss Rosalie Huber, flower girl, wore a pink floor length gown and carried a basket of white and yellow mums.

The best men were Mr. Stu Short, brother of the groom and Mr. Francis Huber, brother of the bride. The ring-bearer was Master Philip Short, youngest brother of the groom. The ushers were Mr. Daniel Short, brother of the groom and Mr. Barry Huber, brother of the bride.

For her daughter's wedding, Mrs. Huber chose a full length turquoise blue gown which was complimented by a corsage of pink carnations.

The groom's mother, Mrs. Short, wore a full length blue floral gown with a sleeveless navy blue coat. Her ensemble was complimented by a corsage of pink carnations.

A dance and smorgasbord supper was enjoyed by some 200 friends and relatives at Lauderdale Hall. The bride's table was centred with a beautiful wedding cake decorated by Mr. Miles MacDonald. It was flanked by white candles and pink roses.

Mr. Walter Huber, the bride's uncle, proposed the toast to the bride to which the groom ably responded.

For their honeymoon the bride changed to a two piece navy blue pant suit. The happy couple will make their home in Gander, Newfoundland where the groom is stationed.

Guides enjoy banquet in Legal

By Lucienne Montpetit

The mother and daughter banquet for the guides and brownies was held May 17 at the community hall.

Mistress of ceremonies was Mrs. Marian Enright who said Grace. She called upon Janice Bruce to propose the toast to the Queen, and Debby Royan, who proposed the toast to the mothers.

Mr. Carl Royan, recreation director and Mrs. Royan were the guests of honor.

Presentation of the badges to the guides was made by the Guider Elsie Royan. A number of girls from the Legal Pack No. 1 received badges from their Brown Owl Mrs. Marian Enright. In turn Mrs. Annette Bruce Brown Owl Pack No. 2 presented brownies from her pack with badges.

The president of the Mothers Local presented Mrs. Enright with a cup and saucer in appreciation for all her time and effort as Brown Owl for the past two years. Mrs. Enright thanked the mothers and the girls for their co-operation and said she had enjoyed working with the girls. Anyone wishing to take Mrs. Enright's position as Brown Owl for Legal Pack No. 1 is urged to contact the local executive.

A sincere thank you is also extended to the Commissioner Mrs. Jeanne Maurier, Mrs. Elsie Royan and Mrs. Lorraine Kremer, guiders for the Company, Mrs. Annette Bruce, Brown Owl Legal Pack No. 2, Mrs. Phyllis Allan and Miss Louise Coulombe, Tawny Owls, and helpers Madeleine Blanchette and Margo Montpetit.

A short meeting of all the mothers followed the banquet.

Mrs. Joyce St. Jean president and Mrs. Gaetane Champagne secretary-treasurer declined their position on the Mothers Local. The new members elected on the executive are: Chairman - Mrs. Lucienne Montpetit; secretary - Mrs. Dorothy deChamplain; secretary-treasurer - Mrs. Jeannette Garneau.

Gibbons 4H

The Gibbons Garden Club held their May meeting at the home of Robert Paridis, when plans for the July 4th 4H Rally was discussed. The event will be held in Alcomdale and a pot luck supper will be served at 5 p.m. The members tendered a vote of thanks to the supporters of their rummage sale, which reports showed was most successful.

THANK YOU

The Cornelis family wishes to express their most sincere thanks to their relatives and friends for the floral, spiritual tributes and kind expressions of sympathy received during the recent bereavement of their dearly beloved mother, father, and grandparents. Special thanks to the members of the choir, Reverend Father Bissonnette and Reverend Father Tellier. Also, to those who so willingly offered their assistance.

Mr. and Mrs. Andrew Van Brabant and family and Mr. and Mrs. John Cornelis and family.

Breathe easier all year-round with electric CLIMATE MAKERS

"The Climate Makers"
P.O. Box 1900, Calgary 2, Alberta
Please mail to me the **FREE** illustrated booklet on the electric 'Climate Makers'.

I am interested in breathing easier with:
- ☐ Air Conditioner
- ☐ Supplementary Electric Heaters
- ☐ Electronic Air Cleaner
- ☐ Continuous Furnace Fan Operation
- ☐ Humidifier

Name .....
Address .....

With the electric 'Climate Makers' your house is always a joy to come home to.

The 'Climate Makers' will cool, heat, clean and constantly refresh the air in your home plus provide the correct level of humidity.

That's complete climate control . . . and electricity does it all.

Mail coupon today for FREE illustrated booklet on the electric 'Climate Makers'.

ELECTRIC SERVICE LEAGUE OF ALBERTA

Bon Accord Council says no water meters

Village council met on Monday night May 15 for their regular monthly meeting. Among the items on the agenda were: development control, hydrants, water consumption as well as a heavy load of correspondence. Budget estimates were also listed but since certain requisitions were unavailable this matter received only minimal attention and the meeting was adjourned at 10:10 p.m. with a decision to reconvene to discuss the budget when the rest of the figures are received.

WATER CONSUMPTION:

In view of the fact that an increased demand for water is expected for lawns and gardens, and to discourage indiscriminate use of water, the matter of water meters was discussed. However, after a full and lengthy discussion it was decided that for the time being the following measures be taken:-

Effective immediately.

1) Lawn sprinklers will not be used between the hours of 10 a.m. and 4 p.m.

2) North and East sides of the streets and avenues will be sprinkled on odd days. South and West sides on even days of the month.

HYDRANTS:

Since it is the intention of council to increase fire protection, hydrants will be installed as soon as possible. One firm had submitted a tender for hydrants installed complete. Council requested that a second bid be obtained.

DEVELOPMENT CONTROL

Council interviewed Mr. Ronald Griffiths in connection with his application to carry on with his construction in the village. Lot U2, in the northeast subdivision was signed over to Northwestern Utilities for use as a gas regulating site.

Approval was given to a proposed subdivision - Part of SW 18-23-56-W4, Andrew Kinjerski property, to separate the present building site of 3 acres from the large parcel.

CORRESPONDENCE:

Requisitions were received from the Edmonton Rural Auxiliary Hospital District and the Provincial Planning Fund and were ordered paid. The grant to the village under the Municipal Assistance Act was announced and the recreation grant from the Department of Culture, Youth and Recreation was received. Council moved that the latter be handed over to the recreation board of the Community Centre Ltd.

The secretary was instructed to write Mr. Al Adair, minister without portfolio, to the effect that village council approves the first Monday of August being designated as Native People's Day as proposed in Bill No. 71.

VILLAGE CLEAN-UP:

A village clean-up is being organized to take place on Saturday, May 27. The citizens responsible for the organization of this service are to be commended and deserve the full co-operation of all residents.

Rural Recreation

By Carl Royan

I would like to welcome Miss Marjolaine Chamberland who will be working in Sturgeon and the towns and villages within Sturgeon this summer assisting senior citizens to set up a recreational program. Marjolaine has a big job ahead of her and will be calling on many residents for assistance. Please give her your full co-operation so her job will be made easier, since all residents of the area will benefit a great deal from the program to be established this summer. Marjolaine can be contacted by calling 424-6270 or 256-3323.

CLINICS:

I have information and dates on 16 different clinics that are oriented towards the outdoorsman. These clinics range from Wilderness, Camping and Survival courses to specialized courses such as Mountaineering and Canoe tripping. There is a wide variety of courses and the number of applications to be accepted are limited, so those interested should contact me quickly.

An Outdoor Arts and Crafts Workshop is going to be held in Vermilion on June 16, 17, 18 that will be of interest to the whole family. The course will be held in the campground so that families or anyone interested can camp overnight, at a fee of just $1.50 per night. Some of the courses planned include: Primitive Pottery, Weaving, Macrame, Batik and Tye Dye, Sand Cast Candles, Diamond Willow, Creative Drama, Outdoor Cooking, Childrens Crafts, and Painting. If father is not interested in these types of activities take him along anyway and send him to the golf course.

As I See It

by ROSE MARTEL

By Rose Martel

Spring time is a time of planning and decision making. Albertans have another dimension that should be part of their daily living . . Keep Alberta Clean and Beautiful.

We are so fortunate to inherit such a beautiful home land as the Princess province. We have been given the spectacular beauty of the Rockies, a unique skyline in the world. We enjoy many bountiful lakes throughout Alberta in easy reach from any part of the province. We have the vast plains in the south, the lush mixed agricultural areas of central Alberta, and the Mighty Peace River Valley country, reaching towards the rugged Yukon. We all take this for granted, as our natural heritage, but for how long?

How long, will this rich soil, produce, if further erosion is permitted? How long will our lakes and streams be sources of pure water, giving us the best of fresh water fish and recreation pleasure if we allow pollution to continue?

Every individual, regardless of age or position, has a duty to preserve our beautiful Alberta, and keep it as God made it, as much as humanly possible in the very polluted atmosphere of our times. There is an old saying that goes "Save your nickels and you will soon have the dollars." The same goes for environment. Everyone has a responsibility now to save our environment. It must be said that the young people, in general, are far more pollution conscious than their elders. Our present governments are also taking steps to save our natural beauty, with new laws and projects. But what are you doing about it Mr. and Mrs. Alberta Citizen?

Are you participating in your community Clean-Up campaign? Every community has its own brand of Pa and Ma Kettle house and yard keeping and adding more junk, more manure piles, more clutter and rubbish from year to year.

Litter bugs should be reported and punished. Young punks who throw bottles from cars on highways or streets should get maximum fines and be made to clean up the mess.

Now is spring clean-up time. A time to show that we take pride in our residences, our grounds, our communities and our farms. An extensive and successful campaign for painted buildings and clean trim yards would work a miracle of improvement all over Alberta. But if everyone took even greater pride in their community, much more could be accomplished. Mobile homes could be made cosy with patches of grass and flowers, given properly planned sites. Roadside ditches could be seeded with clover or grass. Business premises could be vastly improved by more attention to garbage put out at the rear and some extra landscaping effort. School children could work wonders in keeping their school grounds tidy. Ecology is a new word, covering a vast subject but these are things that everyone has it in his power to do.

WHEN YOU'RE SMILING CALL FOR 'LABATT'S BLUE'

Our Half Acre

A PAGE DESIGNED TO INFORM FARM READERS ON CURRENT AGRICULTURAL NEWS AND EVENTS AND TO SERVE AS A FORUM FOR EXPRESSION OF FARMERS OPINIONS

Thumbnail sketch on cultural practices for rapeseed

Re-issued by Wallace Klatt
District Agriculturist

LAND SELECTION:

Clean fallow OR well fertilized stubble where moisture and weeds are not limiting factors. In initial years or change to lear type rape, 10 per cent volunteer of old type is not significantly serious. Avoid planting on rape stubble and follow with cereal or forage crop for soil fibre.

SOIL PREPARATION:

Early shallow spring cultivation followed just prior to early seeding by another shallow cultivation and packing. A rod weeder is an excellent implement. If auto sinks more than 3/4 inch in seed bed then pack again before seeding. Follow immediately with as shallow a seeding as possible into moisture. Small lumpy texture (pea size) is less likely to crust than overworked fine texture soil.

FERTILIZER:

High nutrient requirement for maximum production. Lack of any one nutrient may limit response to others. Even high fertility soils may require additional nitrogen and phosphorus and sometimes potassium and sulphur. A soil test is the best indicator of soil nutrient requirements and kits are available from district agriculturists. Five to 20 pounds of nitrogen and 15 to 20 pounds of phosphorus per acre should be applied to fallow where no soil test was taken. Weedy fallow and cool year fallows require the higher nitrogen application. Forty to 60 pounds of nitrogen and 15 to 20 pounds of phosphorus per acre should be applied to cereal stubble or sod breaking. Eg. 120 to 180 pounds of 34-0-0.

Rapeseed germination may be effected by placement of more than 10 pounds of nitrogen or 20 pounds of phosphorus per acre near the rapeseed. Additional amounts should be broadcast

SEED AND SEEDING:

Used sealed Certified seed for varietal and low erucic acid assurity. Value of fungicide seed treatment requires more research. Considered inexpensive partial protection.

Insecticide seed treatment gives two or more weeks initial protection. An alternative is to inspect seedlings at least twice a week and spray as required. Submit insect specimen to district agriculturist for identification and control advice.

DATE:

On the average, early seedings have given higher yields. Argentine type (Zephyr) should be seeded before May 20.

RATE:

Argentine type - 6 to 10 pounds per acre.

Polish type - 4 to 8 pounds per acre.

WEED CONTROL:

Prevention best - avoid seeding rape on weedy land.

a) Wild Oats - Preplant treatment of soil with Avedex or post-emergent spraying with Carbyne.

b) Broad Leaved Weeds and Wild Oats - Preplant treatment of soil with Treflan or postemergent spraying with TOK/RM.

INSECT AND DISEASE CONTROL:

Rotate crops - do not plant rape on rape stubble.

a) Disease - More research with disease producing pathogens and breeding resistant rape varieties is required.

b) Insects - Observe crop very closely at least twice each week. Take specimen to district agriculturist for identification and control advice. While inspecting check carefully for army worms.

HARVEST:

Swath or straight combine.

a) Swath - When pods are still greenish and seeds firm to finger-thumb pressure, 20 per cent of seeds show faint brownish color. Swath as high as possible without loss.

b) Combine - Investigate benefits and costs of aircraft spraying with desiccant to "ripen and dry" early. Be prepared to adjust combine settings often to reduce damage and loss.

c) Storage - 10.5 per cent mosture is maximum. Check in-storage condition regularly - heating can occur quickly.

Impulse - Impulse - Impulse

By Pat Prymak,
District Home Economist

Very often I am called upon to assist families with budgeting problems. It is easy enough to figure out how much should go for the basics, such as housing, utilities, basic clothing and food. But the problem starts when the family must budget for the non-essentials, such as personal expenses and entertainment.

It is impossible for one person to say to another what should be spent on tooth paste, cigarettes, nylons and coffee. Very often these items are bought at irregular intervals and on impulse and for that reason raise havoc with a budget. If you are satisfied that you are living within your means, I see no reason to keep track of every dime. As long as you know you spend "x" number of dollars on entertainment, "y" dollars on cigarettes and liquor, etc., that's all that's really necessary. However, if the pay cheque isn't stretching far enough, you have to record everything for two or three months to find where the leaks are.

You will then find out how susceptible you are to buying on impulse. If you tend to be unhappy with many of your purchases after you get them home, try to discover why they appealed to you in the first place.

Supermarkets or department stores arrange their displays to be as appealing and convenient as possible. It is not chance that there are many nick-nacks, snacks or small toys placed in bins, turning racks on shelves near the check-out counter. Store managers are not bashful about admitting that higher mark-ups and higher profits come from impulse sales. A few dollars here or there may not seem much at the time, but if you're trying to get more satisfaction out of your spending, impulse buying becomes a real problem.

Studies have shown that displays at ends of traffic aisles bring the most impulse sales. Shoppers are attracted to products displayed at eye level so the more elaborate models are placed there. Packaging is carefully designed in an appealing way so that "the housewife will stick out her hand for it rather than one of the many rivals."

Careful shopping is hard work and requires all your powers of concentration. Plan what you're going to purchase BEFORE you enter the store and stick to it. Don't be an impulse shopper. This is the quickest way to spend your money faster than you can make it.

Report of tests on fertilizer

Re-issued from the District Agriculturist's office.

Tests carried out on the prairies show that, at present oilseed and cereal prices, the greatest returns per fertilizer dollar invested are obtained from rapeseed.

Adolph Goettel, head of the Alberta department of agriculture's soils branch, reports that with adequate moisture, and good weed control, nitrogen and phosphorus fertilizers should increase rapeseed yields above the 1965-71 average of 11 bushels per acre on stubble land. In many cases summerfallow fields also respond profitably to an application of nitrogen and phosphorus. The average yield of rapeseed on summerfallow was 18 bushels per acre in the years 1965-71 when 31 per cent of Alberta's rapeseed was grown on summerfallow.

The best indicator of fertilizer requirements is a soil analysis by the Soil and Feed Testing Laboratory in Edmonton. Since it takes approximately two weeks for a fertilizer recommendation to reach the farmer from the time the soil samples are received at the laboratory, soil samples should be taken as soon as possible. However, if soil samples are not taken, the following information can be used as a general guide.

NITROGEN - Approximately 40 to 60 pounds of nitrogen per acre should be applied to stubble land for best returns. An example of a fertilizer that would supply this volume of nitrogen is 120 to 180 pounds of 34-0-0.

The nitrogen content of soil samples taken from fallow land in the fall of 1971 averaged slightly higher than normal for fallow in Alberta. However, because tests have shown that adding nitrogen to fallow is generally profitable, farmers might consider applying 25 pounds per acre.

Up to 10 pounds of nitrogen can be drilled in with the seed. The rest should be broadcast and incorporated into the soil before the crop is seeded.

PHOSPHORUS - As a general rule, most soils are low in phosphorus. Hence, in addition to a nitrogen fertilizer (when one is required), 15 to 20 pounds of phosphorus per acre (30 to 40 pounds of 11-48-0) should be drilled in with the seed on both summerfallow and stubble land. More than 20 pounds could cause seedling damage.

POTASSIUM - Very few soils in Alberta require potassium in fertilizers. Potassium is not recommended unless a soil analysis indicates a deficiency of this element.

SULPHUR - Rapeseed has relatively high sulphur requirements and some soils in Alberta are low in this element. However, the need for sulphur can only be determined by a field test or soil analysis.

Information on soil testing and the use of fertilizers on rapeseed crops can be obtained from your local district agriculturist.

Gold Eye Youth Seminar

By Wally Klatt,
District Agriculturist

This year's Co-operative Youth Seminar for this area will be held from July 9 to 15, at Goldeye Centre.

Young adults between the ages of 16 and 20 years may attend. The program will be centered on the following topics: Co-operatives and Co-operation; Organization Group Dynamics (Leadership Skills, etc); Decision Making and Personal Goal Setting; Social Issues and You.

Sponsorship fee ($40) includes transportation by charter bus from Edmonton to camp and return, together with room and meals while at camp. Each applicant will be required to pay a $5 registration fee upon arrival at camp.

The program is sponsored by the Rural Education and Development Association and is supported by the following organizations: Alberta Department of Agriculture; Alberta Wheat Pool Calgary Co-operative Association Ltd., Central Alberta Dairy Pool; Co-operative Activities Branch; Co-operative Insurance Services; Federated Co-operatives Ltd., United Farmers of Alberta Co-operative Ltd., Unifarm; United Grain Growers Ltd.

Applications and further information on this seminar are available from your District Agriculturist's office, Box 510, Morinville. TOG 1PO.

Summer courses for girls

By Pat Prymak,
District Home Economist.

A course in Fab and Dress 10 will be offered to high school teen-age girls at the Vermilion Agricultural and Vocational College from July 10 to August 4.

Two courses, Fab and Dress 10 and 20, will be offered at the Fairview Agricultural and Vocational College from July 3 to 28 and July 31 to August 25 respectively.

Applications for these credit courses should be sent directly to the principal of the college concerned.

No summer courses will be offered at the Olds Agricultural and Vocational College this year.

Did you know that:

Re-issued from the District Agriculturist's office.

1. You can obtain information as to the number of kinds of weed seeds in seed you intend to purchase IF YOU ASK. See Section 12 (2) - otherwise the information must be printed on the tag or if bulk certified seed, on the accompanying sales slip. Section 12 (1).

2. All seed sold off the premises of the producer or that is publicly advertised must bear the following information:

a) Name and address of the seller.

b) The kind and variety. Forage seed and rapeseed cannot bear a variety name unless the seed is pedigreed - (inspected and sealed).

c) The lot number.

d) The weight (or bushels)

e) The Canada Seed Grade

Hog Deficiency Payments

Re-issued from the District Agriculturist's office

The livestock division of Canada department of agriculture, wishes to assure hog producers that contrary to some reports heard recently on the radio, there has been no change in the payment of bonuses. The hog deficiency payment applies only to market hogs indexing 100 or higher, up to a maximum of 200. No payment is currently being made nor is such a payment contemplated on weaner or feeder pigs, or cull sows and boars.
